Hi Alba,

CARB wants to extend their CAA 105 grant another year to complete one of their special projects. They've provided an approvable justification for me. What do you think?

Thanks!

- Angie

Subject: CARB - Extension request for CAA 105 Salton Sea project

Hi Angela,

Program would like to request an extension for CAA 105 Salton Sea project.

Justification: the competitive process for the facilitation process may take 5-6 months which would delay when we can start with the stakeholder meetings. The meetings themselves are expected to take 10 weeks and then we need a couple of months at the end for the PI to write up the report. This takes us pass the current September 30th deadline.

Remaining funds by 9/30/21: \$10K-15K of the original \$75K

Please let us know if there is anything you need from us.

Thank you,
